# INDO-PACIFIC STRATEGIC REPORT

## India faces 'significant challenges', especially from China: White House

PRESS TRUST OF INDIA  
Washington, February 12

INDIA IS BESET with significant geopolitical challenges, in particular from China and its behaviour on the Line of Actual Control, the White House has said, while releasing its Indo-Pacific Strategic Report.

The strategic report, released on Friday, is the President Joe Biden-led administration's first region-specific report. It outlines the president's vision to firmly anchor the United States' position in the Indo-Pacific, strengthen the region and support India's rise and regional leadership in the process.

"We will continue to build a strategic partnership in which the United States and India

However, a senior US official, on condition of anonymity, pointed out the significant challenges New Delhi is beset with. "But India faces very significant challenges. China's behaviour on the Line of Actual Control has had a galvanising impact on India. From our standpoint, we see tremendous opportunities in working with another democracy—with a country that has a maritime tradition that understands the importance of the global commons—to advance critical issues in the region," said the White House official.

work together and through regional groupings to promote stability in South Asia; collaborate in new domains such as health, space, and cyberspace; deepen our economic and technology cooperation; and contribute to a free and open Indo-Pacific," the White House said.

"We recognise that India is a like-minded partner and leader in South Asia and the Indian Ocean, active in and connected to Southeast Asia, a

### Rahul Bajaj passes away

A believer in Gandhian philosophy, he would constantly remind shareholders that he did not take too much money from them and that they made good returns on their investments. Shareholders loved to listen to his candid views on governments, leaders and the politics of the day at the company's AGMs. Bajaj was a member of the Rajya Sabha from 2006 to 2010 and was awarded the Padma Bhushan in 2001.

Tributes poured in with industry leaders acknowledging both Bajaj's achievements and his ethics. Venu Srinivasan, chairman, TVS Motor Company, applauded Bajaj saying he was among the few stars who had built the automotive industry and a pioneer, who established a culture of quality and technology. "He stood for high integrity in business and stuck to his principles," Srinivasan said.

T V Narendran, President, CII, said India had lost one of its tallest leaders in industry. "His ideas and philosophies shaped the contours of Indian businesses especially for the past four decades. Under his stewardship, the first codification of corporate governance norms in the country happened way back in 1998, well before any regulation or law came into being in this important space," Narendran said.

said while speaking at a joint press conference along with his Australian counterpart here after their bilateral meeting. The situation at the LAC has arisen due to the disregard by China in 2020 of written agreements with India not to mass forces at the border, he said. "So, when a large country disregards written commitments, I think it's an issue of legitimate concern for the entire international community," he added.

The border standoff in eastern Ladakh erupted on May 5, 2020, following a violent clash in the Pangong lake area and both sides gradually enhanced their deployment by rushing in tens of thousands of soldiers as well as heavy weaponry. The tension escalated following a deadly clash in Galwan Valley on June 15, 2020. As a result of a series of military and diplomatic talks, the two sides completed the disengagement process in Gograas well as in the north and south banks of the Pangong lake last year. Each side currently has around 50,000 to 60,000 troops along the Line of Actual Control in the sensitive sector.

leaders commitments on vaccination," Payne said. For Australia, the minister said, the Quad is a very complementary part of the network of relationships that the country has both regionally and internationally. "And it is all about helping to positively shape our region as indeed it develops and grows, and Australia has welcomed the development and growth of China over the years. But we have always said that we will also act in protection of our national interests as any sovereign nation would," the ministers said.

### Minister dismisses China's opposition

"Our record and our actions and stances is fairly clear and by criticising it repeatedly, it doesn't make us less credible," he asserted. China, which has territorial disputes with many countries in the strategic Indo-Pacific region, has been vehemently opposing the Quad alliance since its formation.

Speaking alongside Jaisankar, Payne said the Quad is "not against anything". "We're about building, about building confidence and resilience, about promoting a region in which all countries are able to be and feel sovereign and secure without the threat of coercion or intimidation. We have a really practical agenda, which as evidenced by our support of access to vaccines, indeed over 500 million vaccines

### LAC crisis due to China's disregard of agreements'

"Yes, we (Quad) had a discussion on India-China relations because it was part of how we briefed each other about what was happening in our neighbourhood. And it's an issue in which a lot of countries legitimately take interest, particularly if they are from the Indo-Pacific region," he

### CBI books ABG in bank fraud of over ₹22,842 cr

After "scrutinising" for over one and a half-year, the CBI acted on the complaint filing an FIR on February 7, 2022.

Besides Agarwal, the agency has also named then executive director Santhanam Muthaswamy, directors Ashwini Kumar, Sushil Kumar Agarwal and Ravi Vimal Nevatia and another company ABG International for alleged offences of criminal conspiracy, cheating, criminal breach of trust and abuse of official position under the IPC and the Prevention of Corruption Act, the officials said.

The company was sanctioned credit facilities from 28 banks and financial institutions with the SBI having exposure of ₹2468.51 crore, they said. The forensic audit has shown that between 2012-17, the accused colluded together and committed illegal activities including diversion of funds, misappropriation and criminal breach of trust, they said.
